

## Voice Competition 2024

### Repertoire Guidelines

(Singers must provide piano accompaniment sheet music for the competition.)

#### **Category I: Little Stars! (13 and younger)**

- Folk Songs
- Art Songs
- Songs from Musical Theater
- Does not exceed 6 minutes in length

#### **Category II: Teen Stars (age 14-18)**

- Please see sample repertoire on pg. 2 of these guidelines.
- You can choose other repertoire, as long as it fits the same criteria as the Collegiate Artists & Emerging Artists categories. Please pay special attention to orchestra parts key & availability.
- Musical Theater is not accepted in *Teen Stars* category.
- Does not exceed 6 minutes in length

#### **Categories III & IV: Collegiate Artists and Emerging Artists**

Repertoire from Luck's Music Library ([www.lucksmusic.com](http://www.lucksmusic.com); 800-348-8749; see below for search suggestions) that meets the following criteria; **please also see pg. 2 of these guidelines for sample repertoire:**

- Does not exceed 6 minutes in length and is **classical** repertoire with conventional orchestral accompaniment (note that the SBC is a chamber orchestra; pieces with larger orchestral forces may be adapted as needed).
- Musical Theater is not accepted in *Collegiate Artists, & Emerging Artists* categories.
- Orchestra parts must be available for purchase, NOT rental.
- Price for orchestra parts may not exceed \$100.
- On the Luck's website, the piece's listing must indicate a "Set" with a price and usually a string count.
- If Luck's website states "Score", this does NOT mean individual orchestra parts; it must state "Set".
- Here is a sample Luck's listing: "Set: \$ 70.00"  
(Set includes strings 4-4-3-2-2)
- If you can't find a particular aria on Luck's www, check to see if Luck's carries the complete opera/piece orch parts for purchase (a "Set", not just the "Score", & not rental). If so, Luck's might be able to extract an aria from the complete opera/piece parts. Contact Luck's & see if the particular aria can be extracted, confirm the correct key/version, & confirm \$ purchase eligibility.
- Pieces will need to be composed before 1928 (and also need to be available for purchase, NOT rental, as stated above.)

Luck's catalog can be searched online or downloaded. [Download "Symphonic/Orchestral" catalog(s). You can also get a hard copy if you request it.] Online--via Luck's website search, not the download--is the most complete/up-to-date listing, but it can be sensitive; when you search Luck's website, use basic terms: composer's last name, major words in aria title. Try variants--different language, etc...--if needed. You can also contact Luck's to inquire about a specific aria or piece, if needed. Luck's can be reached at 800-348-8749 or via their website.
